Total: Rs. . 203,541.80	

We are mostly using your support to pay for the education of the children. the tuition fee in the school until September. The average costing of education per month is Rs. 60,000.00 (this is for 33 children. We enrolled few in between as they desperately need rescue in request of CCWB-Central Child Welfare Board) depending upon the stationery used and extra programs in school which is about Euro 600.00 (this is including the salary of tuition teacher). We, once again would like to urge you for your helping hand supporting at least Euro 600/mnth regularly. It will be of great support and encouragement if there is commitment of regular support.

Thanking you for your continuous support for the children and all your hard work.

Sincerely,

*for, Roshan*
